Prague Visual History and Digital Humanities Conference (PRAVIDCO) 2025

PRAVIDCO 2000

CALL FOR PAPERS

Malach Center for Visual History is celebrating fifteen years since its opening, and it will commemorate this anniversary with a second edition of the Prague Visual History and Digital Humanities Conference (PRAVIDCO 2025). The conference's aims reflect the activities of the Malach Center, serving as a nexus for those primarily engaged in the technological aspects of the humanities and social sciences perspectives of contemporary interdisciplinary research.

DOMAINS / TOPICS

- ✓ Holocaust, post-Holocaust, Jewish history, and related metacritical studies
- ✓ oral and visual history in theory and practice
- ✓ minority and gender studies
- ✓ historical sociology and reflexivity of research methods
- ✓ language modelling and modelling in humanities and social sciences research
- ✓ data mining and quantitative approaches in historical research
- ✓ large archives of cultural heritage and databases production and management
